Subject: 2016 STIP Amendment 6

Enclosed is Amendment 6, dated September 30, 2016, for the 2016–2020 STIP, dated May 2016.

Amendment 6 shows the applicable project numbers along with the phases we wish to program. This amendment represents the projects and phases for which we need FHWA approval.

Additionally, we are acknowledging by reference Amendment 5 to the Missoula FY 2016–2020 Metropolitan Transportation Improvement Program. An updated checklist is attached.

The subject projects will not require a revised air quality conformity finding or transfer of funds between FHWA and FTA. Consequently, this amendment will not require FTA approval. Please review and approve Amendment 6.

If you have any questions, please contact Paul Johnson at 444-7259.
